

Dear Parent or Guardian,

Thank you for considering UCP of Central Florida for the 2011-2012 school year. We believe every child deserves excellent academics to help them learn, grow and excel. That's why each of our classrooms is led by highly-qualified and experienced teachers who welcome children and families into a community of learning. Our research-based academics lay the foundation for each student's future success. By opening our classrooms to children with and without special needs in a unique education model called Inclusion, not only are we breaking down barriers but we are teaching children at a very young age to embrace differences.

Please find enclosed UCP's fall 2011-2012 Registration Packet. The next step in the enrollment process is the completion of this packet and submission of other documents. It is important that you fill in each form in the packet as completely as possible. Additionally, please use the Checklist to gather the other needed documents. Please return this packet and the materials to the administrative assistant/front desk at the campus in which you are registering.

Once all materials are received, your child will be placed in the next available classroom opening and you will be notified. If you have any questions on the process or forms/documents, please contact UCP's Admissions Department at [referrals@ucpcf.org](mailto:referrals@ucpcf.org) or call (407) 407-852-3300 ext. 1. One of our Admissions Specialists will be in touch with you.

Thank you again for considering UCP of Central Florida!

Dr. Ilene Wilkins, President/CEO
