PARENT VOLUNTEER PROGRAM PLEDGE FORM

UCP of Central Florida’s school culture embraces parents and families as partners in our success. All parents and guardians are expected to be highly involved in their children’s education, both at school and home, by volunteering at least 10 hours during the school year. Your volunteer involvement is not just a wonderful addition to a successful school, it’s essential.

I agree to support the students and staff at UCP of Central Florida by volunteering at least 10 hours during the 2011-2012 school year.
