

September 7, 2017

Dear Parents,

With Hurricane Irma potentially arriving in Central Florida this weekend – we wanted to provide you some updates on School/Therapy closing for UCP of Central Florida. The UCP policy is to follow the respective school district closing plan for Day 1. As of last evening – below are the current closings:

UCP Osceola Campus – Closed for all School/Camp and Therapy Services - Friday (9/8) and Monday (9/11)

UCP Seminole Campus – Closed for all School/Camp and Therapy Services – Monday (9/11). Closed for Aftercare and After School Therapy Services – Friday (9/8).

UCP Bailes, UCP Pine Hills, UCP Downtown/BETA, UCP TLA and UCP West Orange Campus – Closed for all School/Camp and Therapy Services – Monday (9/11). Closed for Aftercare and After School Therapy Services – Friday (9/8).

Although right now – school/therapy is OPEN for Orange and Seminole Counties on Friday – the safety of everyone is paramount. If you choose to keep your child home – it will be treated as excused absence.

We will continue to provide updates as they become available. Please make sure you check the UCP Facebook Page (<https://www.facebook.com/UCPcentralflorida/>) and the UCP website (www.ucpcf.org)
