

the TRADITION Continues

AT UCP DOWNTOWN CAMPUS

WISH LIST

We are grateful for the many individuals and groups who have continuously supported the mission of the BETA Center! The BETA Program at UCP's Downtown Campus is continuing the BETA Center's tradition by providing the education & support necessary to empower our students to reach their potential. Thank you for supporting this tradition by generously hosting a wish list drive. With your help, we will be able to make a difference in the lives of those that we serve!
